

Vision 2025 - Mapping the Future for 60 Plus Ride Open House Invitation for Community Support

October 24, 2024

FOR IMMEDIATE RELEASE

GREELEY, CO - Aging doesn't have to mean losing connection, independence, or mobility. Weld County nonprofit 60 Plus Ride is excited to unveil Vision 2025, an ambitious plan to improve transportation access and support for older adults throughout Weld County. As a leading service provider for the aging population, 60 Plus Ride is committed to ensuring that older adults have the freedom to live life fully with access to places they need to go.

"Our mission is to help older adults stay connected, independent, and mobile," says Robin Blakely, Executive Director of 60 Plus Ride. **"Our Open House is an important milestone event and we are asking the community to attend. By working together, we can ensure that Weld County's older adults can age in place with dignity and confidence."**

Mapping the Future. Our Vision 2025 outlines key initiatives that aim to empower older adults through accessible transportation and stronger community connections:

- **Expanding Transportation Options:** We plan to increase the number of rides we offer, helping seniors reach medical appointments, grocery stores, and other essential destinations.
- **Strengthening Community Connections:** By partnering with senior centers, libraries, and local businesses, we are creating a stronger support network that ensures older adults have access to the resources they need.
- **Empowering Independence:** We are committed to providing safe, reliable, and caring transportation services that foster social engagement and help older adults maintain their independence.

How You Can Get Involved

We invite you to join us in transforming the future for Weld County's older adults. Whether you become a volunteer driver, donate, advocate for older adults, or partner with us, your support will make a lasting difference. Let's work together to create lasting solutions that ensure older adults can continue living vibrant, connected lives.
